

TRENT LIMITED

A TATA ENTERPRISE

Thank You Amit, for adding zing to our Reward & Recognition Programme!!

I write on behalf of Trent Limited to convey my recommendation for Amit Sheth, who amazed us all during our annual Reward & Recognition event 2012 by delivering a talk that is well remembered. We were interested in a motivational speaker who could use relevant, real world examples to help motivate and convince our employees in their diligent involvement in whatever they do in life, especially in fulfilling their roles on the job and in their personal lives with perseverance and commitment.

Amit customized his presentation to fit the time allotted in our agenda. He effectively delivered a presentation that reached all members of the audience and really seemed to provoke some self-evaluation. The message he conveyed was clear, concise, and had an impact no matter what positions the individuals held in the organization. He kept our leaders and employees alike, spellbound over an hour in relating business skill and sport together.

It is amazing that so much of the information that Amit shared continues to resurface in Trent to this day with the upcoming Standard Chartered Mumbai Marathon. This certainly indicates how much of an impact he truly had on our management team and our organization. He did an excellent job at tailoring his message to our audience.

We want to thank him for talking the time out of his busy schedule and being part of our programme and we wish him all the very best.

Warm Regards,

Sanjay Rastogi
